Before the meeting: Everyone assigned above should attend the walk-through. Test the microphones from the actual speaking positions and listen from different parts of the seating area.

The venue is lending at least two wireless microphones. The A/V Booth team will collect them before commissioning. They are sensitive, so Alex will carefully adjust them before use.

Walk-through: Saturday, 10 October at **14:00**, led by JP. Reporting time, if different, will be confirmed by your keyman or overseer.
